[DESCRIPTION]

FIRE RATED WALL BOXES

Connected Switchgears' fire rated wall box is manufactured from sturdy zinc steel and incorporate sliding mounting clips to allow speedy and successful installation in wall surfaces up to 35mm thick. The WBR-FR1 is suitable for use when fire rated protection is required for dry wall surfaces. The 10mm intumescent material included provides adequately for a -/120/120 rating when installed in accordance with instructions. Screw centres are 84mm with rear conduit entry points in 20 and 25mm.

[FEATURES]

- Sliding Clips
- Fire Rated -/120/120
- Knockouts for Easy Cable Access
- Suitable for Dry Wall Surfaces up to 35mm Thick
- Available in Non-Fire Rated

[TECHNICAL PARAMETERS]

- Acoustic Rating: STC50
- Testing Laboratory: CSIRO
- Complies with:
AS/NZS 1530
